Liquid Feed Supplements

At **MBS Nutriscience**, we are committed to revolutionizing animal nutrition through science-backed, high-performance feed solutions.

Our Liquid Feed Supplement Range represents a cutting-edge approach to improving animal health, growth, immunity, and productivity across quaculture, poultry, and livestock sectors.

Formulated using advanced biotechnology and enriched with essential nutrients, amino acids, enzymes, probiotics, and herbal extracts, our liquid supplements ensure rapid absorption, targeted action, and consistent performance. Designed for easy mixing and direct application, these supplements improve feed efficiency and support optimal physiological functions.

Key Features of Our Liquid Supplement range:

Fast-acting, bio available formulations

Improves digestion, immunity, and disease resistance

Enhances growth rates and feed conversion ratios (FCR)

Supports recovery during stress and disease

Easy application via drinking water or feed

Whether it's growth promoters, immunity boosters, toxin binders, or digestive enhancers.

MBS Nutriscience delivers precision nutrition in liquid form tailored to your farm's needs.

We welcome your requirements and we will tailor feed supplement as per your farm need **Get your quote today!!!**

Rumen Plus Liquid

Description: Rumen stimulant and digestive enhancer

Ingredients: Live yeast culture (*Saccharomyces cerevisiae*), niacin, betaine, herbal extracts (ginger, ajwain)

Species: Cattle, Buffalo, Goats, Sheep

Uses: Enhances rumen microbial activity, improves digestion and feed conversion

Dosage: 30-50 ml per animal daily for 5-7 days

Pack Size: 1L, 5L

Lacta Boost Liquid

Description: Lactation enhancer and milk quality improver

Ingredients: Shatavari extract, fenugreek, calcium, vitamin D3, cobalt chloride

Species: Dairy cattle, buffalo

Uses: Increases milk yield, improves milk fat and SNF

Dosage: 50 ml twice daily for 7-10 days

Pack Size: 1L, 5L

Vita Mineral Liquid

Description: Liquid vitamin and mineral complex

Ingredients: Chelated zinc, manganese, copper, selenium, vitamins A, D3, E, B-complex

Species: Poultry, cattle, goats, sheep

Uses: Prevents mineral deficiencies, boosts immunity and growth

Dosage: 1-2 ml per liter of water or 20-30 ml per animal daily

Pack Size: 500 ml, 1L, 5L

Calci Plus Liquid

Description: Calcium and phosphorus supplement with vitamin D3

Ingredients: Calcium gluconate, dicalcium phosphate, magnesium, vitamin D3

Species: Dairy cattle, poultry, goats

Uses: Prevents milk fever, supports bone strength and eggshell quality

Dosage: 50 ml per day for livestock, 1 ml per liter water for poultry

Pack Size: 1L, 5L, 10L

Electrolyte+ Liquid

Description: Rehydration and electrolyte balance solution

Ingredients: Sodium chloride, potassium chloride, glucose, bicarbonate, citric acid

Species: All livestock and poultry

Uses: Treats dehydration, maintains electrolyte balance during stress

Dosage: 50-100 ml per day or 1-2 ml per liter of drinking water

Pack Size: 1L, 5L

MBS
NUTRISCIENCE

Herbal Digest Liquid

Description: Herbal digestive tonic

Ingredients: Ginger, ajwain, fennel, coriander, mint extracts

Species: Cattle, goats, poultry, sheep

Uses: Improves digestion, relieves indigestion and flatulence

Dosage: 30 ml daily for 5-7 days

Pack Size: 500 ml, 1L

Immune Plus Liquid

Description: Immunity booster liquid with vitamins and herbal extracts

Ingredients: Echinacea, tulsi, amla, vitamin C, zinc, selenium

Species: All livestock and poultry

Uses: Enhances immune response, reduces disease incidence

Dosage: 20-30 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Energy Boost Liquid

Description: Energy tonic with glucose and herbal stimulants

Ingredients: Glucose, caffeine, ashwagandha, licorice extract

Species: Cattle, buffalo, poultry

Uses: Improves energy levels, reduces fatigue and stress

Dosage: 50 ml per day for 5 days

Pack Size: 500 ml, 1L

Joint Care Liquid

Description: Joint support supplement

Ingredients: Glucosamine, chondroitin sulfate, MSM, turmeric extract

Species: Cattle, equine, pets

Uses: Supports joint health, reduces inflammation and pain

Dosage: 30-50 ml daily

Pack Size: 500 ml, 1L

Anti Stress Tonic Liquid

Description: Stress relief and adaptogen tonic

Ingredients: Ashwagandha, Brahmi, vitamin B-complex, magnesium

Species: All livestock and poultry

Uses: Reduces stress, improves performance under heat and transport stress

Dosage: 30 ml per day for 7 days

Pack Size: 500 ml, 1L

“Natural Is How We care”

Liver Care Liquid

Description: Liver tonic and detoxifier

Ingredients: Milk thistle extract, turmeric, artichoke, dandelion, vitamin E

Species: Cattle, goats, poultry

Uses: Supports liver detoxification, improves appetite and metabolism

Dosage: 30-50 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Cardio Fit Liquid

Description: Cardiovascular support tonic

Ingredients: Hawthorn extract, garlic oil, CoQ10, magnesium, taurine

Species: Equine, cattle, pets

Uses: Improves heart function, circulation, and stamina

Dosage: 30 ml daily

Pack Size: 500 ml, 1L

Respira Liquid

Description: Respiratory support syrup

Ingredients: Eucalyptus oil, thyme extract, menthol, vitamin C

Species: Poultry, cattle, goats

Uses: Supports respiratory tract health, eases breathing and cough

Dosage: 20-30 ml daily for 5-7 days

Pack Size: 500 ml, 1L

Muscle Max Liquid

Description: Muscle development and recovery tonic

Ingredients: Amino acids (L-lysine, L-methionine), vitamin B6, magnesium

Species: Cattle, poultry, pets

Uses: Promotes muscle growth, reduces fatigue post-exercise

Dosage: 30-50 ml daily

Pack Size: 500 ml, 1L

Electro Boost Liquid

Description: Electrolyte and energy drink

Ingredients: Sodium, potassium, glucose, B-complex vitamins

Species: All livestock and poultry

Uses: Rehydrates, restores electrolytes, boosts energy during heat stress

Dosage: 50-100 ml daily or 1-2 ml per liter water

Pack Size: 1L, 5L

MBS

NUTRISCIENCE

Calf Care Liquid

Description: Multivitamin and mineral tonic for calves

Ingredients: Vitamins A, D3, E, zinc, copper, cobalt

Species: Calves, kids, lambs

Uses: Supports growth, immunity and bone development in young stock

Dosage: 20-30 ml daily for 7-14 days

Pack Size: 500 ml, 1L

Poultry Vital Liquid

Description: Nutritional tonic for broilers and layers

Ingredients: Vitamin A, D3, E, selenium, methionine, probiotics

Species: Poultry

Uses: Improves growth, egg production, and immunity

Dosage: 1-2 ml per liter of water daily

Pack Size: 500 ml, 1L

Digest Plus Liquid

Description: Digestive enzyme liquid supplement

Ingredients: Protease, amylase, lipase, cellulase, herbal extracts

Species: All livestock and poultry

Uses: Enhances nutrient absorption and feed digestibility

Dosage: 30-50 ml daily

Pack Size: 500 ml, 1L

Immune Aid Liquid

Description: Immune system booster with antioxidants

Ingredients: Vitamin C, selenium, zinc, echinacea, beta-glucans

Species: All livestock and poultry

Uses: Strengthens immunity, reduces disease susceptibility

Dosage: 20-30 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Growth Max Liquid

Description: Growth promoter tonic with amino acids and vitamins

Ingredients: L-lysine, L-methionine, vitamin B12, zinc

Species: Poultry, cattle, goats

Uses: Enhances growth rate, feed conversion and muscle development

Dosage: 30 ml daily for 14-21 days

Pack Size: 500 ml, 1L

“Nutrition Is Not A Cost, It’s An Investment In Performance”

MBS
NUTRISCIENCE

Stress Shield Liquid

Description: Adaptogenic tonic for stress relief

Ingredients: Ashwagandha, Tulsi (Holy Basil), Vitamin B-complex, Magnesium

Species: All livestock and poultry

Uses: Reduces stress, improves resilience against heat and transport stress, enhances overall performance

Dosage: 30 ml daily for 7–10 days

Pack Size: 500 ml, 1L

Joint Flex Liquid

Description: Joint health and anti-inflammatory liquid supplement

Ingredients: Glucosamine, chondroitin sulfate, MSM, turmeric extract

Species: Cattle, equine, pets

Uses: Supports joint mobility, reduces inflammation and pain

Dosage: 30-50 ml daily

Pack Size: 500 ml, 1L

Metabo Boost Liquid

Description: Metabolic enhancer with vitamins and trace minerals

Ingredients: Vitamin B12, cobalt, selenium, chromium, L-carnitine

Species: Cattle, goats, poultry

Uses: Enhances metabolism, promotes energy production

Dosage: 30 ml daily for 7-14 days

Pack Size: 500 ml, 1L

Gut Health Liquid

Description: Probiotic liquid feed supplement

Ingredients: Lactobacillus spp., Bacillus subtilis, prebiotics (FOS), herbal extracts

Species: Poultry, cattle, goats

Uses: Improves gut flora balance, enhances digestion and immunity

Dosage: 1-2 ml per liter of drinking water daily

Pack Size: 500 ml, 1L

Repro Care Liquid

Description: Reproductive tonic with vitamins and herbs

Ingredients: Shatavari, ashwagandha, zinc, vitamin E, selenium

Species: Cattle, buffalo, goats

Uses: Improves fertility, enhances reproductive performance

Dosage: 30-50 ml daily for 10-15 days

Pack Size: 500 ml, 1L

“Every Gram Of Supplement Today Saves Liters Of Treatment Tomorrow”

MBS
NUTRISCIENCE

Liver Detox Liquid

Description: Liver detoxifier and antioxidant liquid

Ingredients: Milk thistle, artichoke, dandelion, vitamin E, selenium

Species: Cattle, poultry, goats

Uses: Supports liver function, detoxifies harmful metabolites

Dosage: 30-50 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Antioxidant Max Liquid

Description: Antioxidant-rich tonic for oxidative stress protection

Ingredients: Vitamin C, vitamin E, selenium, zinc, beta-carotene

Species: All livestock and poultry

Uses: Protects cells from oxidative damage, supports immunity

Dosage: 20-30 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Skin Care Liquid

Description: Skin and coat health supplement with vitamins and herbs

Ingredients: Vitamin A, E, zinc, biotin, neem extract

Species: Dogs, cats, cattle

Uses: Improves skin condition, promotes shiny coat, controls dermatitis

Dosage: 10-20 ml daily

Pack Size: 200 ml, 500 ml

Calf Guard Liquid

Description: Immunity and growth booster for newborn calves

Ingredients: Colostrum powder, vitamins A, D3, E, zinc, selenium

Species: Calves, kids

Uses: Enhances passive immunity, supports early growth

Dosage: 20-30 ml daily for 10 days

Pack Size: 500 ml, 1L

Electro Lyte B-cmplex Liquid

Description: Advanced electrolyte and energy replenisher

Ingredients: Sodium chloride, potas.chloride, glucose, magn.sul, vitamin B-complex

Species: All livestock and poultry

Uses: Rapid rehydration, maintains electrolyte balance, boosts energy during heat stress and illness

Dosage: 50-100 ml daily or 1-2 ml per liter of water

Pack Size: 1L, 5L

“Better Feed, Better Yield”

MBS

NUTRISCIENCE

Poultry Guard Liquid

Description: Multivitamin and mineral liquid tonic for poultry

Ingredients: Vitamins A, D3, E, K, B-complex, Selenium, Zinc

Species: Broilers, layers

Uses: Enhances growth, egg production, and immune function

Dosage: 1-2 ml per liter of drinking water daily

Pack Size: 500 ml, 1L

Herbal Detox Liquid

Description: Herbal detoxifier supporting liver and kidney function

Ingredients: Turmeric, Guduchi, Neem, Dandelion, Aloe vera

Species: Cattle, goats, poultry

Uses: Detoxifies harmful metabolites, supports liver and kidney health

Dosage: 30-50 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Muscle Regen Liquid

Description: Muscle recovery and growth enhancer

Ingredients: Amino acids (L-glutamine, L-arginine), vitamin B6, magnesium

Species: Cattle, equine, poultry

Uses: Speeds muscle recovery post-exercise, promotes muscle growth

Dosage: 30 ml daily for 7-14 days

Pack Size: 500 ml, 1L

Calci Pro Liquid

Description: Calcium and phosphorus liquid supplement for bone health

Ingredients: Calcium gluconate, dicalcium phosphate, magnesium, vitamin D3, Sugar

Species: Dairy cattle, poultry, goats

Uses: Supports bone strength, prevents hypocalcemia and milk fever

Dosage: 50 ml daily

Pack Size: 1L, 5L

Energy Plus Liquid

Description: Energy tonic with glucose and herbal stimulants

Ingredients: Glucose, caffeine, ashwagandha, licorice extract

Species: Cattle, buffalo, poultry

Uses: Boosts energy, reduces fatigue and stress

Dosage: 50 ml daily for 5 days

Pack Size: 500 ml, 1L

“Strong Animals, Strong Returns”

MBS

NUTRISCIENCE

Liver Support Liquid

Description: Liver support tonic with antioxidants and herbs

Ingredients: Milk thistle extract, turmeric, artichoke, vitamin E

Species: Cattle, goats, poultry

Uses: Supports liver detoxification and metabolism

Dosage: 30-50 ml daily for 7-10 days

Pack Size: 500 ml, 1L

Calf Boost Liquid

Description: Immunity and growth booster for calves

Ingredients: Colostrum powder, vitamins A, D3, E, zinc, selenium

Species: Calves, kids

Uses: Enhances passive immunity, supports early growth

Dosage: 20-30 ml daily for 10 days

Pack Size: 500 ml, 1L

Metabo Max Liquid

Description: Metabolic enhancer with vitamins and trace minerals

Ingredients: Vitamin B12, cobalt, selenium, chromium, L-carnitine

Species: Cattle, goats, poultry

Uses : Enhances metabolism and energy production

Dosage: 30 ml daily for 7-14 days

Pack Size: 500 ml, 1L

Digest Aid Liquid

Description: Digestive enzyme liquid supplement

Ingredients: Protease, amylase, lipase, cellulase, herbal extracts

Species: All livestock and poultry

Uses: Enhances nutrient absorption and feed digestibility

Dosage: 30-50 ml daily

Pack Size: 500 ml, 1L

Respira Vet- L Liquid

Description: Respiratory distress, clear mucus, and strengthen the immune system

Ingredients: Vitamin C & E, potassium iodide, eucalyptus oil, tulsi, vasaka, ginger oil, menthol, turmeric extract, sorbitol base

Species: Broilers, layers, breeders, turkeys, backyard birds

Uses: Support during respiratory infection, relieves sneezing, nasal discharge

Dosage: Preventive-5 ml per ltr | during respiratory stress 10 ml per ltr
post vaccination 7 ml per ltr

Pack Size: 100 ml, 500 ml, 1 L, 5 L

“Not All Feed Is Equal – Neither Are All Supplements”

MBS
NUTRISCIENCE

Choline Chloride Liquid 60/75 %

Description: Promote liver health, fat metabolism, improve feed conversion ratio

Ingredients: choline chloride, carrier water base (water base)

Species: Poultry, cattle and buffalo, sheep, goat and swine

Uses: Treats fatty liver syndrome, enhances growth rate, improves egg production & quality detoxifies the liver after antibiotic or mycotoxin exposure, reduce stress, supports reproductive performance

Dosage: Poultry 1- 1.5 ml per liter | cattle 30-50 ml, Sheep/goat 10-15 ml, swine 20 ml

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

Prebiotic & Probiotic Liquid

Description: Liquid blend to promote healthy gut flora, enhance digestion

Ingredients: Lactobacillus acidophilus, bacillus subtilis, saccharomyces cerevisiae
Prebiotics (MOS & FOS), beta glucans, electrolytes, sorbitol base, pH buffer

Species: Poultry, cattle, sheep/goat, swine, calves, kids, chicks

Uses: Reduce diarrhea and gut infection, improves growth, immunity, supports recovery from stress, vaccination or transport

Dosage: Poultry 5 -10 ml | cattle 30-50 ml | calves/goat/sheep 10-20 ml | swine 20 ml

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

High Potency B-Complex Liquid

Description: Containing essential B-group vitamins necessary for energy metabolism, nerve function, immunity, red blood cell formation, and overall performance.

Ingredients: Vitamin B1, B2, B3, B5, B6, B7, B9, B12 Carrier (Sorbitol base)

Species: Poultry, cattle, goat/sheep, swine, dog, cat

Uses: Supports nervous system and metabolism, Aids in feathering, egg production, and hatchability, Prevents vitamin B deficiency, Enhances growth, fertility, and milk

Dosage: Poultry (All types) 10–15 ml per 100 birds/day in water 3–7 days regularly

Cattle/ Buffalo 30–50 ml per animal/day 5–10 days

Goats/ Sheep 10–15 ml per animal/day 5–7 days

Swine 20 ml per 100 kg body weight 5–10 days

Pets (Dogs/Cats) 0.5–1 ml per 10 kg body weight

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

“healthy Feed, Healthy Herd, Healthy Profits”

Kidney Tonic

Description: Herbal-mineral liquid feed supplement specially formulated to promote kidney function, assist in detoxification, prevent uric acid accumulation, and support overall urinary tract health. It's ideal for poultry, ruminants, and pets experiencing stress, toxicity, heat stress, or nephrotoxic drug use (e.g., antibiotics, sulfonamides, etc.).

Ingredients: Punarnava, Gokhru, Varuna, Potassium Citrate, Vitamin B6, Magnesium Sulphate, DL-Methionine, Creatinine, Amino Acids Blend, Sorbitol base

Species: Poultry (broilers, layers, breeders) Cattle & Buffalo Sheep & Goats Swine Dogs & Cats

Uses: Supports normal kidney and urinary function Prevents uric acid toxicity and kidney damage in poultry Useful in high-protein diets, antibiotic use, and heat stress Reduces swollen joints and wet litter issues Prevents and supports treatment of gout and nephritis Boosts renal clearance and detox pathways

Dosage: Poultry 10–15 ml per 100 birds/day In drinking water 5–7 days

Cattle/Buffalo 30–50 ml per animal/day In water or feed 7–10 days

Goats/Sheep 10–15 ml per animal/day Oral or mixed in feed 5–7 days

Swine 20 ml per 100 kg body weight/day In feed/water 5–10 days

Dogs/Cats 0.5–1 ml per 10 kg body weight/day (vet guide) In water 5–7 days

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

Uterine & Ovary Care Liquid

Description: A scientifically balanced herbal–mineral uterine tonic designed to support reproductive health, improve ovarian activity, enhance uterine tone, and aid in estrus synchronization, conception, and postpartum recovery in female livestock. Ideal for breeding programs, infertility cases, repeat breeders, and uterine infections.

Ingredients: Ashwagandha Extract, Shatavari Extract, Lodhra & Ashoka Extracts Leptadenia reticulata (Jivanti), Calcium Gluconate, Phosphorus, Vitamin E, Selenium Folic Acid, Carrier (Sorbitol Base), Sodium Benzoate

Species: Cattle, Buffalo Goats, Sheep

Uses: Enhances ovarian function and estrus expression Helps in follicular growth and regular heat cycles Improves conception rates and fertility in repeat breeders Aids in postpartum uterine involution Reduces risk of metritis, endometritis, and uterine inertia Natural uterine tonic—safe for long-term use

Dosage: Cattle/Buffalo 50–60 ml per animal per day Oral via water/feed 10–15 days

Goats/Sheep 20–30 ml per animal per day Oral 10–15 days

For fertility boost Start 15 days before mating or AI Postpartum support 7–10 days after calving

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

Anti-Mastitis Liquid

Description: A herbal-mineral udder health tonic formulated to support the treatment and prevention of mastitis—both clinical and subclinical. It helps reduce inflammation, clear udder infections, and improve milk quality and somatic cell count (SCC) naturally, without antibiotic residue.

Ingredients: Curcumin Extract, Aloe Vera Extract, Neem Leaf Extract, Tulsi, Vitamin E Organic Selenium, Zinc Sulphate, Potassium Iodide, Carrier Base (Sorbitol + Water)

Species: Cattle Buffalo Goats & Sheep

Uses: Reduces swelling and pain of udder Helps in both clinical & subclinical mastitis Improves milk quality, fat%, and SCC Reduces need for antibiotic therapy in mild cases Aids in post-calving udder care Natural and antibiotic residue-free solution

Dosage: Cow/Buffalo 50–60 ml per animal per day 5–7 days (acute), 10–15 days (chronic) Goat/Sheep 15–20 ml per animal per day 5–7 days

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

Fertility Booster Liquid

Description: A comprehensive fertility-enhancing liquid supplement designed to improve ovarian function, regulate estrus cycles, support egg and sperm quality, and increase conception rates in both ruminants and poultry. Ideal for use in AI programs, repeat breeders, low egg production, and pre-mating periods.

Ingredients: L-Arginine, Vitamin E, Selenium, Zinc Sulphate, Manganese & Copper Chelates, Vitamin A, D3, B12, Shatavari Extract, Ashwagandha Extract, Triphala Extract Sorbitol + Purified Water Base

Species: Cattle & Buffalo Goats & Sheep Poultry (Breeders & Layers)

Uses: Enhances estrus expression and regular cycles Improves egg and sperm quality Boosts conception rates and fertility in repeat breeders In poultry, increases egg production, fertility, and hatchability Promotes ovarian follicular development Reduces reproductive stress and hormone imbalance

Dosage: Cow/Buffalo 50–60 ml per animal/day 15–20 days before AI/mating Goats/Sheep 20–30 ml per animal/day 15 days

Poultry 10 ml per 100 birds/day 10–15 days

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

MBS
NUTRISCIENCE

Herbal Dewormer Liquid

Description: A broad-spectrum, herbal deworming liquid formulated to expel roundworms, tapeworms, and flatworms in livestock and poultry. It enhances gut health, boosts immunity, and improves feed efficiency without harmful Chemicals or drug withdrawal periods.

Ingredients: Areca catechu (Betel Nut) Extract, Embelia ribes (Vidanga) Extract, Papaya Leaf Extract, Butea monosperma, Aegle marmelos, Neem Leaf Extract, Piper longum (Pippali) Extract, Zinc & Copper Chelates, Sorbitol & Purified Water Base

Species: Cattle, Buffalo, Goats, Sheep, Poultry (Broilers, Layers, Breeders)

Uses: Expels roundworms, tapeworms, and hookworms Helps reduce worm load and worm eggs in feces Improves feed absorption, weight gain, and growth Enhances gut health and immunity Suitable for regular deworming cycles.

Dosage: Cow/Buffalo 100 ml per animal/day Oral in feed/water Repeat every 3 months
Goat/Sheep 30–50 ml per animal/day Oral/drench Every 2–3 months

Poultry 10 ml per 100 birds/day In drinking water Every 45–60 days

Calves/Lambs 20–30 ml/day 3 months

Pack Size: 100 ml, 500 ml, 1 L, 5 L, 20 L

Stamina Booster Liquid

Description A comprehensive performance, stamina, and recovery tonic for horses.

Ingredients: L-Carnitine, Vitamin E, Selenium, Calcium, Electrolytes (Na, K, Cl), Biotin, Glucosamine + MSM, Sorbitol Base + Flavour.

Species: horses

Uses: ideal for race horses, working horses, and breeding stock. Supports muscle Strength, electrolyte balance, joint health, and metabolic recovery.

Dosage: Adult Horses: 50–60 ml/day

Performance Horses: 60–100 ml/day during training or competition

Foals: 20–30 ml/day

Pack Size: 500 ml, 1 L, 5 L

Camel Liquid Feed Supplement

Description Designed especially for camels used in milk, racing, or transport.

Ingredients: Vitamin A, D3, E, Chelated Minerals (Zn, Cu, Mn, Se), Aswagandha Extract, Shatavari Extract, Sodium Bicarbonate, Cobalt + Iodine, Sorbitol & Purified Base

Species: Camel

Uses: This tonic boosts endurance, appetite, reproductive health, and resistance to desert stress.

Dosage: Adult Camel: 60–80 ml/day

Racing/Working Camel: 80–100 ml/day

Young Camel: 30–40 ml/day

Pack Size: 500 ml, 1 L, 5 L
