MBS NUTRISCIENCE

FEEDING THE FUTURE, HEALING WITH SCIENCE

ABOUT MBS NUTRISCIENCE

MBS NUTRISCIENCE is a forward-thinking animal healthcare company dedicated to improving the productivity and well-being of livestock through science-backed nutrition and innovative solutions.

SCIENCE DRIVEN

Our products are developed by experienced professionals using advanced research and modern nutritional science to deliver effective and safe solutions.

QUALITY ASSURED

Manufactured in a GMP compliant facility under strict quality control measures to ensure purity, safety and consistency in every batch.

INNOVATIVE SOLUTIONS

We continuously innovate and introduce new age formulations to address the evolving needs of livestock and poultry farmers.

TRUSTED PARTNER

Our commitment to quality, transparency and customer satisfaction has earned us the trust of veterinarians, distributors and farmers across the globe.

GLOBAL VISION

With a strong presence in domestic and international markets, we aim to make a positive impact on animal health and farming communities worldwide.

SAFE & EFFECTIVE
FORMULATION

COMPOSITION:

Each 10 ml contains:

Biotin (Vitamin H)	10 mg
Vitamin A	10000 mcg
Vitamin D3	250000 I.U.
Vitamin C	125000 I.U.
Vitamin E	2500 mg
Vitamin B12	1000 mcg
Beta-Carotene	500 mg
Selenium	70 mcg
Zinc	1500 mg
Copper	1500 mg
Base of Omega 3 & 6 Fatty Acids	q.s.

BENEFITS:

- ✓ Supports healthy growth and development.
- ✓ Promotes healthy skin, hooves and coat condition.
- ✓ Helps improve feed utilization and nutrient metabolism.
- ✓ Supports reproductive performance and fertility.
- ✓ Helps animals during stress, weakness and seasonal changes.
- ✓ Enhances overall productivity in dairy & poultry animals.

FEEDING RECOMMENDATION:

(Or as directed by the Veterinarian)

ANIMAL	DAILY DOSE
Poultry (Birds)	1 – 2 ml per 100 Birds
Chicks	0.5 – 1 ml per 100 Chicks
Cattle / Buffalo	10 – 15 ml
Calves	5 – 10 ml
Goats / Sheep	2.5 – 5 ml
Horses	10 – 15 ml

Mix in drinking water or feed.

Ensure clean drinking water is available at all times.

STORAGE:

- ✓ Store in a cool, dry & dark place.
- ✓ Protect from direct sunlight.
- ✓ Keep the container tightly closed.
- ✓ SHAKE WELL BEFORE USE.

ADVANCED NUTRITIONAL SUPPORT FOR HIGH-PERFORMING DAIRY ANIMALS

AVAILABLE IN
500 g & 1 kg

Supports Dietary Protein Supply

Provides Nutritional Energy

Supports Muscle Maintenance

Helps Maintain Productivity

Supports Recovery & Performance

ABOUT MILKOVA PRO BOOST

MILKOVA PRO BOOST is a premium nutritional powder formulated with whey protein, soya protein, Calcium HMB, essential amino acids, Gamma Oryzanol, vitamins, chelated iron, Selenium Yeast and Yeast Culture. It supports dietary protein and energy supply, muscle maintenance and productive performance in dairy cattle, buffaloes and growing calves.

KEY BENEFITS

- Supports dietary protein and amino-acid supply
- Provides nutritional energy for productive animals
- Supports muscle maintenance and body condition
- Helps maintain appetite and productive performance
- Supports recovery during increased nutritional demand
- Contains vitamins, chelated iron and Selenium Yeast

NUTRIENTS AVAILABLE

- Whey Protein
- Soya Protein
- Calcium HMB
- Essential Amino Acids
- Gamma Oryzanol
- B-Complex Vitamins
- Vitamin E
- Chelated Iron

FEEDING INSTRUCTIONS

AGE OF CALF	MILK REPLACER POWDER	WATER	FEEDING PER DAY
0 – 7 Days	125 g	875 ml	2 – 3 Times
8 – 14 Days	150 g	850 ml	2 – 3 Times
15 – 28 Days	175 g	825 ml	2 Times
29 – 60 Days	200 g	800 ml	2 Times

- Use clean, lukewarm water (40–45°C).
- Mix powder gradually while stirring to avoid lumps.
- Feed immediately after preparation.
- Provide clean & fresh water to calves all the time.
- Introduce starter feed from 2nd week onwards.

CALF CARE TIPS

- Ensure colostrum in first 6 hours of birth.
- Follow proper feeding schedule.
- Maintain clean, dry & warm shelter.
- Introduce starter feed early for better rumen development.
- Provide fresh drinking water always.
- Regular health check & deworming.

STRONG CALVES • HEALTHY GROWTH • HIGHER PRODUCTIVITY
