— FOR FARMS, FAMILIES, AND THE FUTURE.

VETERINARY
Powder Formulation

MBS
NUTRISCIENCE

Powdered Feed Supplements

play a crucial role in animal nutrition due to their versatility, ease of administration, and high absorption efficiency.

Here's why powder form is preferred:-

1. Uniform Mixing standard
2. Improved Palatability
3. Higher Bioavailability
4. Flexibility in Dosing
5. Cost-Effective & Stable
6. Multi-ingredient Formulation

At **MBS NutriScience**, we are proud to present our **Powder** Range Catalog – Curated collection of over 100+ advanced feed supplement formulations designed to support comprehensive animal health and performance. Our **Powder** range is the result of cutting-edge research and innovation, offering targeted nutritional solutions for growth enhancement, gut health, and the prevention and management of a wide array of diseases in cattle, poultry, and other livestock. These formulations are scientifically developed to improve feed efficiency, boost immunity, and support overall vitality in animals at every stage of development. From essential daily supplements to specialized disease-control products, the POWDER range addresses the diverse challenges of modern animal husbandry. This catalog reflects our mission to deliver high-quality, result-driven, and sustainable nutrition solutions to farmers, veterinarians, and feed manufacturers across the industry. Partner with **MBS NutriScience** and **Power Your Progress** with the strength of science.

We are welcoming third-party Manufacturers to get your formulations customized with flavor & packing in your own brand name, **Get Your Quote Today !!!**

MBS
NUTRISCIENCE

Immuno Powder

Description: Immune booster powder with vitamins and herbs

Ingredients: Vitamin C, E, selenium, zinc, Echinacea, turmeric powder

Species: All livestock and poultry

Uses: Enhances immune function and disease resistance

Dosage: 10-15 gm per animal per day or 1 gm per kg feed

Pack Size: 1 kg, 5 kg

Growth Powder

Description: Growth promoter with amino acids and minerals

Ingredients: L-lysine, L-methionine, zinc, cobalt, vit. B12, aspergillus oryzae, Amylase

Species: Poultry, cattle, goats, swine, pigs

Uses: Improves growth rate, feed efficiency, and muscle development

Dosage: 10-20 gm per animal per day or 1 gm per kg feed

Pack Size: 1 kg, 5 kg

Liver Cleanse Powder

Description: Herbal liver support powder

Ingredients: Milk thistle, turmeric, dandelion, artichoke, vitamin E

Species: Cattle, goats, poultry

Uses: Supports liver detoxification and function

Dosage: 10-15 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Electrolyte Powder

Description: Electrolyte and rehydration powder

Ingredients: Sodium chloride, potassium chloride, glucose, bicarbonate

Species: All livestock & poultry

Uses: Rehydrates and restores electrolyte balance

Dosage: 20 gm per liter water or 10 gm per kg feed

Pack Size: 1 kg, 5 kg

Joint Support Powder

Description: Joint support powder with anti-inflammatory herbs

Ingredients: Glucosamine sulfate, chondroitin sulfate, turmeric, MSM

Species: Cattle, equine, pets, horse

Uses: Supports joint health and reduces inflammation

Dosage: 10-15 gm per day mixed with feed, Horses 20-40 gram per day

Pack Size: 1 kg, 5 kg

“Natural Nutrition, Because healthy Animals Build Stronger Farms”

Calf Growth Powder

Description: Nutritional powder to promote calf growth and immunity

Ingredients: Colostrum powder, vitamins A, D3, E, zinc, selenium

Species: Calves, kids, lambs

Uses: Supports early growth, bone development, and immunity

Dosage: 15-20 gm per day mixed with feed or milk

Pack Size: 1 kg, 5 kg

Herbal Detox Powder

Description: Herbal detoxifying powder for liver and kidneys

Ingredients: Neem, guduchi, turmeric, dandelion, aloe vera powder

Species: Cattle, goats, poultry

Uses: Detoxifies toxins and supports organ health

Dosage: 10-15 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Energy Boost Powder

Description: Energy supplement powder with glucose and herbs

Ingredients: Glucose, ashwagandha, licorice, caffeine powder

Species: Cattle, buffalo, poultry

Uses: Enhances energy, reduces fatigue and stress

Dosage: 10-15 gm per day mixed with feed or water

Pack Size: 1 kg, 5 kg

Skin & Coat Powder

Description: Powder supplement for healthy skin and shiny coat

Ingredients: Vitamin A, E, zinc, biotin, neem powder

Species: Dogs, cats, cattle

Uses: Improves skin health, controls dermatitis, promotes glossy coat

Dosage: 5-10 gm daily mixed with feed

Pack Size: 500 gm, 1 kg

Digestive Enzyme Powder

Description: Digestive enzyme powder to improve feed digestibility

Ingredients: Protease, amylase, lipase, cellulase, herbal extracts

Species: All livestock, horses and poultry

Uses: Enhances nutrient absorption and feed conversion, reduces colic risk

Dosage: 10-20 gm per day mixed in feed, horses 25-50 gram per day

Pack Size: 1 kg, 5 kg

MBS

NUTRISCIENCE

Mineral Boost Powder

Description: Mineral supplement powder with essential trace elements

Ingredients: Calcium, phosphorus, magnesium, zinc, copper, cobalt, selenium

Species: All livestock and poultry

Uses: Supports bone development, metabolism, and overall health

Dosage: 10-15 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Immuno Herb Powder

Description: Herbal immune booster powder with antioxidants

Ingredients: Amla, tulsi, guduchi, echinacea, vitamin C, zinc

Species: All livestock and poultry

Uses: Enhances immunity, reduces oxidative stress

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

Metabo Max Powder

Description: Metabolic enhancer with vitamins and trace minerals

Ingredients: Vitamin B12, cobalt, selenium, chromium, L-carnitine

Species: Cattle, goats, poultry

Uses: Enhances metabolism and energy production

Dosage: 10-15 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Bone Strength Pro Powder

Description: Bone support powder rich in calcium and phosphorus

Ingredients: Calcium carbo., dicalcium phosphate, vit-D3, magne., ferrous sulphate

Species: Dairy cattle, goats, poultry

Uses: Supports bone health, prevents deficiencies

Dosage: 10-20 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Lytes Pro Powder

Description: Electrolyte and rehydration powder for livestock

Ingredients: Sod. chloride, potassium chloride, glucose, Vit-C, Magnesium sulfate

Species: All livestock, horses and poultry

Uses: Maintains hydration and electrolyte balance, replace sweat losses

Dosage: 20 gm per liter of water or 10 gm per kg feed, horses 30-60 gram per day

Pack Size: 1 kg, 5 kg

“Nature Know How To Heal”

MBS

NUTRISCIENCE

Stress Relief Powder

Description: Adaptogenic herbal powder to reduce stress and improve **resilience**

Ingredients: Ashwagandha, holy basil (tulsi), brahmi, magnesium, vitamin C

Species: All livestock and poultry

Uses: Reduces stress, improves performance under adverse conditions

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

Antioxidant Blend Powder

Description: Powder supplement rich in antioxidants for overall health

Ingredients: Vitamin E, selenium, vitamin C, turmeric, green tea extract

Species: All livestock and poultry

Uses: Protects cells from oxidative damage, boosts immunity

Dosage: 10-15 gm daily mixed with feed

Pack Size: 1 kg, 5 kg

Poultry Booster Powder

Description: Nutritional powder for enhanced growth and egg production in poultry

Ingredients: Vitamin A, D3, E, selenium, methionine, probiotics

Species: Poultry

Uses: Improves feed conversion, boosts immunity and production

Dosage: 1-2 gm per kg feed daily

Pack Size: 1 kg, 5 kg

Calf Vitality Powder

Description: Multivitamin and mineral powder to support calf health and growth

Ingredients: Vitamins A, D3, E, zinc, copper, cobalt

Species: Calves, kids, lambs

Uses: Supports immune system, growth, and bone health

Dosage: 10-15 gm per day mixed in feed or milk

Pack Size: 1 kg, 5 kg

Herbal Gut Health Powder

Description: Herbal blend for improved digestion and gut health, diarrhea control

Ingredients: Fenugreek, ginger, peppermint, turmeric, probiotics

Species: All livestock and poultry

Uses: Improves digestion, controls bloating and diarrhea

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

“Nutrition Is Not A Cost, It’s An Investment In Performance”

MBS

NUTRISCIENCE

Electrolyte Restore Powder

Description: Rapid electrolyte replenishment powder for dehydration and heat stress

Ingredients: Sodium chloride, potassium chloride, magnesium sulfate, glucose, inositol

Species: All livestock and poultry

Uses: Prevents dehydration, restores electrolyte balance during stress

Dosage: 20 gm per liter of water or 10 gm per kg feed

Pack Size: 1 kg, 5 kg

Joint Flex Powder

Description: Joint support powder with anti-inflammatory and cartilage repair agents

Ingredients: Glucosamine sulfate, chondroitin sulfate, MSM, turmeric powder

Species: Cattle, equine, pets

Uses: Supports joint mobility, reduces inflammation and pain

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

Skin Glow Powder

Description: Powder for healthy skin and shiny coat with vitamins and herbs

Ingredients: Vitamin A, E, zinc, biotin, neem powder, spirulina

Species: Dogs, cats, cattle

Uses: Improves skin condition, controls dermatitis, promotes glossy coat

Dosage: 5-10 gm daily mixed in feed

Pack Size: 500 gm, 1 kg

Metabo Enhance Powder

Description: Powder to boost metabolism and energy efficiency

Ingredients: Vitamin B12, chromium, cobalt, L-carnitine, selenium

Species: Cattle, goats, poultry

Uses: Enhances energy metabolism, feed conversion, and weight gain

Dosage: 10-15 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Immune Herbal Blend Powder

Description: Herbal immune booster with antioxidant properties

Ingredients: Amla, tulsi, guduchi, echinacea, vitamin C, zinc

Species: All livestock and poultry

Uses: Strengthens immune system and reduces oxidative stress

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

“Every Gram Of Supplement Today Saves Liters Of Treatment Tomorrow”

MBS
NUTRISCIENCE

Calf Starter Powder

Description: Starter feed supplement for newborn calves with vitamins and minerals

Ingredients: Vitamins A, D3, E, zinc, selenium, probiotics

Species: Calves

Uses: Supports early growth, immunity, and digestive health

Dosage: 10-15 gm per day mixed in milk or feed

Pack Size: 1 kg, 5 kg

Detoxify Powder

Description: Herbal detox powder supporting liver and kidney function

Ingredients: Silymarin, turmeric, bentonite, charcoal powder

Species: Cattle, goats, poultry, swine, pig

Uses: Aids detoxification, enhances liver function, protects against feed toxins

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

Energy Plus Powder

Description: Energy booster powder with glucose and herbal stimulants

Ingredients: Glucose, caffeine, ashwagandha, licorice powder

Species: Cattle, buffalo, poultry

Uses: Boosts energy, reduces fatigue and stress

Dosage: 10-15 gm per day mixed with feed or water

Pack Size: 1 kg, 5 kg

Poultry Vitale Powder

Description: Nutritional powder for broilers and layers to boost production

Ingredients: Vitamins A, D3, E, selenium, methionine, probiotics

Species: Poultry

Uses: Enhances growth, egg production, and immunity

Dosage: 1-2 gm per kg feed daily

Pack Size: 1 kg, 5 kg

Bone Strength Powder

Description: Bone development powder with essential minerals and vitamins

Ingredients: Calcium carbonate, dicalcium phosphate, vitamin D3, magnesium, vit-K2

Species: Dairy cattle, goats, poultry

Uses: Supports bone health and prevents deficiencies

Dosage: 10-20 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

“Better Feed, Better Yield”

MBS

NUTRISCIENCE

Gut Balance Powder

Description: Probiotic and herbal blend for optimal gut health, diarrhea control

Ingredients: Lactobacillus spp., Bacillus subtilis, MOS, zinc oxide, electrolytes

Species: All livestock and poultry, swine

Uses: Improves digestion, balances gut microflora, controls post-weaning diarrhea

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

Mineral Max Powder

Description: Comprehensive mineral supplement with trace elements

Ingredients: Calcium, phosphorus, magnesium, zinc, copper, cobalt, selenium

Species: All livestock and poultry, swine, pig

Uses: Supports skeletal development, metabolic functions, and production

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

Immune Plus Powder

Description: Vitamin and antioxidant-rich immune enhancer

Ingredients: Vitamins A, C, E, selenium, zinc, beta-glucans

Species: All livestock and poultry

Uses: Strengthens immune system and reduces infection risk

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

Stress Calm Powder

Description: Herbal adaptogen powder to reduce stress and improve resilience

Ingredients: Ashwagandha, tulsi, brahmi, magnesium, vitamin C

Species: All livestock and poultry

Uses: Reduces stress, improves performance under environmental stress

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

Liver Support Powder

Description: Liver tonic powder with herbs and antioxidants

Ingredients: Milk thistle, turmeric, artichoke, vitamin E, selenium

Species: Cattle, goats, poultry

Uses: Supports liver detoxification and function

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

“Strong Animals, Strong Returns”

MBS

NUTRISCIENCE

D-oiled turmeric Powder

Description: Natural inflammatory and Anti oxidant

Ingredients: turmeric cake de oiled powder form

Species: Sheep, Goat, Cattle

Uses: Supports liver & digestive health, reduces inflammation & pain, boost immunity

Dosage: 25 -50 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Energy Boost Powder

Description: Energy supplement with glucose and herbal stimulants

Ingredients: Glucose, caffeine, ashwagandha, licorice powder

Species: Cattle, buffalo, poultry

Uses: Enhances energy and reduces fatigue

Dosage: 10-15 gm per day mixed in feed or water

Pack Size: 1 kg, 5 kg

Skin Care Powder

Description: Powder for skin and coat health

Ingredients: Vitamin A, E, zinc, biotin, neem powder, Omega-3, fatty acids, selenium

Species: Dogs, cats, cattle, horse

Uses: Improves skin condition, promotes shiny coat, strong hoves

Dosage: 5-10 gm daily mixed with feed

Pack Size: 500 gm, 1 kg

Poultry Respiratory Tonic

Description: For poultry birds suffering from respiratory distress(Like Asthma)

Ingredients: Vit-A,E,C, potassium iodide, eucalyptus oil tulsi, vasaka, ginger extract, Turmeric, thymol, probiotics, electrolite blend

Species: Broilers, layers, breeders, and backyard poultry

Uses: Respiratory infection, Sneezing, Nasal discharge, Environmental stress

Dosage: Chicks-20 gm, Growers-40 gm, layers-50 gm during out breaks-60-80 gm

Pack Size: 100 gram, 1 kg, 5 kg

Digestive Aid Powder

Description: Digestive enzyme and herbal blend powderl

ngredients: Protease, amylase, lipase, cellulase, ginger, peppermint

Species: All livestock and poultry

Uses: Enhances digestion and nutrient absorption

Dosage: 10-20 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

“Not All Feed Is Equal – Neither Are All Supplements”

NUTRISCIENCE

Vitamin Boost Powder

Description: Multivitamin powder to support overall health and vitality

Ingredients: Vitamins A, D3, E, K, B-complex, vitamin C

Species: All livestock and poultry

Uses: Supports growth, immune function, and reproduction

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

Electrolyte Balance Powder

Description: Electrolyte powder for hydration and stress recovery

Ingredients: Sod.chloride, potassium chloride, magn. sulfate, glucose, vit-D, calcium

Species: All livestock and poultry

Uses: Maintains hydration, prevents heat stress

Dosage: 20 gm per liter water or 10 gm per kg feed

Pack Size: 1 kg, 5 kg

Immune Herb Powder

Description: Herbal immune booster with antioxidant herbs

Ingredients: Amla, tulsi, guduchi, echinacea, vitamin C, zinc

Species: All livestock and poultry

Uses: Enhances immune response and antioxidant defense

Dosage: 10-15 gm daily mixed with feed

Pack Size: 1 kg, 5 kg

Bone Health Powder

Description: Bone strengthening powder with minerals and vitamins

Ingredients: Calcium carbonate, dicalcium phosphate, vitamin D3, magnesium

Species: Dairy cattle, goats, poultry

Uses: Supports bone density and development

Dosage: 10-20 gm per day mixed in feed

Pack Size: 1 kg, 5 kg

Gut Health Plus Powder

Description: Powder blend for optimal gut function and digestion

Ingredients: Probiotics, prebiotics, ginger, fenugreek, peppermint

Species: All livestock and poultry

Uses: Improves digestion, gut flora balance, reduces GI disturbances

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

“healthy Feed, Healthy Herd, Healthy Profits”

Antioxidant Shielde Powder

Description: Antioxidant-rich powder to protect cells and improve health

Ingredients: Vitamin E, selenium, vitamin C, turmeric, green tea extract

Species: All livestock and poultry

Uses: Reduces oxidative stress, boosts immunity

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

Growth Max Powder

Description: Growth enhancer with amino acids and minerals

Ingredients: L-lysine, L-methionine, zinc, cobalt, vitamin B12, Vitamin k, beta glucans

Species: Poultry, cattle, goats

Uses: Improves growth rate and feed efficiency

Dosage: 10-20 gm per day or 1 gm per kg feed

Pack Size: 1 kg, 5 kg

Stress Relief Plus Powder

Description: Adaptogenic herbal powder to reduce stress and improve resilience

Ingredients: Ashwagandha, tulsi, brahmi, magnesium, vitamin C

Species: All livestock and poultry

Uses: Reduces stress, enhances performance in stressful conditions

Dosage: 10-15 gm per day mixed with feed

Pack Size: 1 kg, 5 kg

Detox Herbal Powder

Description: Herbal detox powder supporting liver and kidney health

Ingredients: Neem, turmeric, dandelion, aloe vera, guduchi

Species: Cattle, goats, poultry

Uses: Aids detoxification and organ function

Dosage: 10-15 gm daily mixed in feed

Pack Size: 1 kg, 5 kg

Sow Boost Powder

Description: For breeding sows and lactation

Ingredients: Omega-3, vitamin-e, biotin, chromium, folic acid

Species: All livestock, boars, gilts, goat, sheeps, and camel

Uses: Improves fertility, Milk Quality, Litter size

Dosage: 25 -30 gm per liter water

Pack Size: 1 kg, 5 kg

Spirulina Powder

Description: Natural blue-green algae rich in protein and carotenoids.

Ingredients: 100% dried Spirulina (*Arthrospira platensis*).

Species: All carp, tilapia, ornamental fish..

Dosage: 2–5% of feed weight or 1–2 g/kg of feed.

Pack Size: 100 gram, 1 kg

Fish Protein Hydrolysate Powder

Description: Predigested fish protein with peptides and amino acids.

Ingredients: Hydrolyzed fish protein, peptides, amino acids.

Species: Fingerlings, juveniles, grow-out fish.

Uses: Boosts growth and feed efficiency.

Dosage: 5–10 g/kg of feed or 0.5–1% of feed weight.

Pack Size: 100 gram, 1 kg

Vitamin Premix Powder

Description: A blend of essential vitamins.

Ingredients: Vitamins A, D3, E, C, B1, B2, B6, B12, niacin, folic acid.

Species: All life stages.

Uses: Prevents deficiency, supports metabolism and immunity.

Dosage: 2–5 g/kg of feed.

Pack Size: 100 gram, 1 kg

Mineral Premix Powder

Description: A mix of macro and trace minerals.

Ingredients: Ca, P, Mg, Zn, Mn, Fe, Cu, Se, I

Species: Grow-out and broodstock.

Uses: Supports skeletal growth and metabolic function.

Dosage: 5 g/kg of feed.

Pack Size: 100 gram, 1 kg

Probiotic Powder

Description: Beneficial bacteria for gut health.

Ingredients: *Bacillus subtilis*, *Bacillus licheniformis*, *Lactobacillus* spp.

Species: All stages, especially during stress or poor water conditions.

Uses: Improves digestion, reduces pathogen load.

Dosage: 1–2 g/kg of feed or 5–10 g/ton of water (for pond application).

Pack Size: 100 gram, 1 kg

Beta-glucan Powder (Immunostimulant)

Description Polysaccharide that enhances immunity.

Ingredients: Extracted from yeast cell walls.

Species: All fish, especially during vaccination or disease outbreaks.

Uses: Boosts resistance to stress and diseases.

Dosage: 0.1–0.5 g/kg of feed.

Pack Size: 100 gram, 1 kg

Yeast Powder (*Saccharomyces cerevisiae*)

Description: Source of B-complex vitamins and enzymes.

Ingredients: Dried brewer's yeast.

Species: Juveniles and grow-out stages.

Uses: Improves digestion and nutrient absorption.

Dosage: 1–3 g/kg of feed.

Pack Size: 100 gram, 1 kg

Astaxanthin Powder

Description: Natural carotenoid for color enhancement.

Ingredients: Haematococcus pluvialis extract or synthetic astaxanthin.

Species: Ornamental fish and broodstock (color quality).

Uses: Improves red-orange pigmentation in ornamental and food fish.

Dosage: 50–100 mg/kg of feed.

Pack Size: 100 gram, 1 kg

Garlic Powder (Allicin)

Description Natural antimicrobial and appetite enhancer.

Ingredients: Dried garlic powder (*Allium sativum*).

Species: Sick fish, winter stress, parasite management.

Uses: Improves feed intake, reduces parasitic load.

Dosage: 2–3 g/kg of feed.

Pack Size: 100 gram, 1 kg

Enzyme Mix Powder

Description: Enhances digestion and feed conversion.

Ingredients: Protease, Amylase, Lipase, Cellulase.

Species: All stages, especially high-protein or plant-based diets.

Uses: Breaks down proteins, starch, and fats in feed.

Dosage: 0.5–1 g/kg of feed.

Pack Size: 100 gram, 1 kg

MBS
NUTRISCIENCE

Equicalm Powder

Description : Stress and temperament control

Ingredients: magnesium, vitamin b1, L-tryptophan, chamomile, herbal adaptogens

Species: Equine/Horses.

Uses: Calms nervous horses during travel, training and performance

Dosage: 15-30 gram per day of feed.

Pack Size: 1 kg, 5 kg

Camel Grow Powder

Description: Growth and conditioning supplement for young and adult camels, enriched with essential amino acids, vitamins, and minerals.

Ingredients: L-lysine, L-methionine, Vitamin A, D3, E, Selenium, Zinc, Cal., Phosphorus

Species: Camels (all age groups)

Uses: Promotes healthy weight gain Supports skeletal development Boosts energy and immune strength

Dosage: Young Camels: 50–75 g/day, Adult Camels: 75–100 g/day

Pack Size: 1 kg, 5 kg, 10 kg

Pet Vital Powder

Description: Daily multivitamin and mineral supplement for dogs and cats to support overall health, immunity, and coat condition.

Ingredients: Vitamins A, D3, E, C, B-complex, Zinc, Biotin, Calcium, Omega-3, Taurine

Species: Dogs and Cats.

Uses: Enhances immunity Promotes healthy skin and coat Supports metabolism and vitality.

Dosage: 5–10 g/day (Dog), 2–5 g/day (Cat)

Pack Size: 100g, 250g, 500g, 1 kg

Pet Digest Powder

Description: Digestive enzyme and probiotic formula for dogs and cats to enhance gut health and nutrient absorption.

Ingredients: Protease, Amylase, Lipase, Cellulase, Bacillus subtilis, Lactobacillus spp., Ginger extract

Species: Dogs and Cats

Uses: Improves digestion, Reduces bloating, gas, stool issues Supports healthy gut flora

Dosage: Dogs: 2–5 g/day, Cats: 1–3 g/day

Pack Size: 100g, 250g, 500g, 1 kg

“Where Health Begins – From The Inside Out”

MBS
NUTRISCIENCE

Bunny Boost Powder

Description: A specially formulated nutritional supplement for rabbits designed to support digestive health, immunity, and fur quality. Enriched with fiber, vitamins, and herbal extracts to suit rabbit-specific physiology.

Ingredients: Dried alfalfa meal – Natural fiber source for digestion Vitamin A, D3, E, C – Supports immunity and tissue repair Zinc, Biotin – Promotes healthy fur and skin Yeast culture (*Saccharomyces cerevisiae*) – Improves feed conversion and gut flora Chamomile & Mint Extracts – Natural calming and anti-bloating properties Calcium & Phosphorus – Supports bone development Prebiotics (FOS) – Stimulates beneficial gut bacteria

Species: Rabbits (all breeds and ages)

Uses: Enhances digestive health and prevents GI stasis Improves fur density and Sheen Reduces stress and improves overall well-being Supports immune function in growing or stressed rabbits

Dosage: Adults: 3–5 g/day per rabbit Kits (young rabbits): 1–2 g/day Mix with pellets Or sprinkle over greens

Pack Size: 250g, 500g, 1 kg

Camel Guard Powder

Description: A comprehensive disease-support and recovery supplement for camels. Fortified with liver-protective herbs, antioxidants, vitamins, and immune-boosting minerals to aid recovery from infections, stress, or metabolic disorders common in camels (e.g., camelpox, pneumonia, parasitic load, or seasonal stress).

Ingredients: Silymarin (Milk Thistle extract) – Liver protection and detox Vitamin C & E – Powerful antioxidants to reduce oxidative stress Selenium & Zinc – Boost immune response and cell repair Turmeric (Curcumin) – Anti-inflammatory and hepato protective Electrolytes (Na, K, Mg) – Supports hydration and stress recovery Beta-glucans – Enhances immunity against bacterial/viral infections Fenugreek & Licorice – Natural gut soothers and adaptogens

Species: Camels (all age groups, especially those under disease stress or recovery)

Uses: Speeds up recovery during/after illness (e.g., camelpox, enteritis, fever) Supports liver and kidney health after antibiotic or dewormer use Boosts immunity and reduces inflammation Improves feed intake during disease or heat stress Enhances resilience during seasonal change or transportation

Dosage: Adult Camels: 75–100 g/day Young Camels: 40–60 g/day Mix thoroughly with feed or oral drench in feed slurry.

Pack Size: 1 kg, 5 kg, 10 kg
